

HEAVY-DUTY INDUSTRIAL CLEANER 205

Heavy-Duty Industrial Cleaner 205 is the strongest industrial cleaning formula in the industrial product line. This heavy-duty formula is potent and effective, yet dilutes to a safe, nontoxic cleaner. An extremely robust cleaner capable of removing both LIGHT and HEAVY soil and waste from all surfaces.

FOR BEST RESULTS

SATURATE

Apply generously and allow to saturate soils.

ACTIVATE

Allow to penetrate heavy soils for 3 to 5 minutes.

AGITATE

Scrub lightly with brush or cloth as needed.

RINSE

Rinse surface thoroughly until clean.

Contact your representative for specific application instructions.

FEATURES

- Effective on fats, oils, grease, sugars, proteins, lipids, petroleum derivatives, and more
- For use in pressure washers, foamers, steamers, soak tanks, or spray & wipe
- Natural and biodegradable
- No intentionally added VOCs, petroleum products, or carcinogens

RECOMMENDED DILUTION (per gallon of water)

Light Cleaning	2oz (1:64)
General Cleaning	4oz (1:32)
Heavy Cleaning	8oz (1:16)

Adjust as needed for heavy soils, odors or grease.

Dilute with cold or room temperature water (depending on application). Improper dilution or use may result in damage to surfaces or increase the risk of health effects. Please dispose of excess or unused product in accordance with local, state or national legislation. /Diluir con agua fría o a temperatura ambiente (según la aplicación). Dilución o uso incorrecto puede provocar daños a las superficies o aumentar el riesgo de efectos sobre la salud. Deshágase del exceso o del producto no utilizado de acuerdo con la legislación local, estatal o nacional.

Contact your representative for specific dilution instructions.
