

# LAUNDRY COMPLETE 205L20

Laundry Complete 205L20 is the next level of cleaning. The alkaline formula is specifically designed for heavy soil washing, but still gentle enough to use on light soil items, like towels and sheets. This one-shot detergent will solve most of your cleaning needs, specifically in the hospital, healthcare, and food and beverage industries.

## FOR BEST RESULTS

- Recommended wash temperature 120°F (49°C) and rinse temperature 75°F–105°F (24°C–41°C).
- Effective in both hard and soft water.
- For severe deodorizing, allow laundry to pre-soak for 10 minutes before washing.

Contact your representative for specific application instructions.

## FEATURES

- May be used with chlorine/oxygen bleach or other laundry products
- Compatible with most washable fabrics
- No fragrances or dyes added
- Natural, biodegradable, non-toxic, non-acidic
- Phosphate-free
- No intentionally added VOCs, petroleum products, or carcinogens
